Long Arm Quilting

May's program was presented by members/longarmers Bob Moore, Kelcey Grice and Mandy Christianson.

- When taking your quilt to a longarmer, please remember to include: your name/number, information about the recipient, your pressed top and backing (seams open).
- Consult with your longarmer if you have ideas about the colors/stitching styles
- Your backing (and batting) need to be at least 2-3" bigger on all sides to allow for loading on the machine.
- Your longarmer may offer batting options for purchase and have additional services such as trimming, tacking and binding available - just ask!
- Be considerate of allergies and lint-roll your tops before dropping them off.
- If your quilt is going into a judged show, it's important for the longarmer to know
- A stay stitch $\frac{1}{8}$ " from the edge of your quilt (straight stitch) is suggested if your top does not have borders.
- Each longarmer may have personal preferences or policies about use of non-traditional fabrics, such as sheets, flannel, minky and fleece - it's always best to ask before you submit

Members who longarm for hire are listed here

Baby Quilts

This month 6 girl, 8 boy, 1 set of boy twin and 1 set of triplets (1 boy/2 girls) were delivered to the NICU in May. The boys are still winning! Thank you everyone for donating quilts - they are loved and cherished by their recipients (& their families).
